

STOP!

Misuse of Research Funds

Research funds come from government subsidies, private funds, and students' tuition fees.

Keep in mind that any misuse of funds by an individual directly hinders the education and research activities of the entire University and damages the reputation.

Fake Business Trip / Remuneration

Causing the University to pay for business trip expenses or remuneration that is different from the actual situation.

Overcharging

Requesting travel expenses and remuneration for more hours/days than actual.

Reflow of funds

Using all or part of the expenses* paid by the University for personal use or for the maintenance and operation of the laboratory. * Business trip expenses/ Remuneration/ Salary etc.
